

WEST VALLEY CITY, UTAH

RESOLUTION NO. _____

**A RESOLUTION AUTHORIZING THE EXECUTION
OF AN AGREEMENT BETWEEN WEST VALLEY
CITY AND GOOGLE FOR WEB SECURITY.**

WHEREAS, a conversion to Google Web Security is needed to provide improved web security services for the City's departments; and

WHEREAS, several hosted services providers were evaluated and it was determined that Google Web Security is able to provide very specialized services that are cost effective and that best fit the City's needs; and

WHEREAS, these services qualify under the provisions of Title 5 - West Valley City Procurement Code Section 5-3-111, Very Specialized or Confidential Services; and

WHEREAS, an agreement has been prepared for execution by and between the City and Google Web Security. This agreement, which is attached hereto and entitled "Google Apps – Web Security Agreement," sets forth the rights, duties, and obligations of each of the parties with respect thereto; and

WHEREAS, the City Council of West Valley City, Utah, does hereby determine that it is in the best interests of the health, safety, and welfare of the citizens of West Valley City to authorize the execution of the above referenced Agreement with Google Web Security.

NOW, THEREFORE, BE IT RESOLVED by the City Council of West Valley City, Utah:

1. That the document entitled "Google Apps – Web Security Agreement" is hereby approved in substantially the form attached, and that the Mayor is hereby authorized to execute said Agreement for and in behalf of West Valley City, subject to approval of the final form of the Agreement by the City Manager and the City Attorney's Office; and
2. That these services qualify under the provisions of Title 5 - West Valley City Procurement Code Section 5-3-111, Very Specialized or Confidential Services.
